

# ELECTION JUDGES' REPORT OF ELECTION RESULTS

After the election judges have counted the ballots, an unofficial certificate of election is prepared. This certificate states the results of the election counted on election night. At this time, the questioned/challenged ballots and absentee ballots have not been counted so the election results aren't complete. Below is a sample election judges' certificate of election:

City of \_\_\_\_\_, Alaska  
ELECTION JUDGES' REPORT OF ELECTION RESULTS

The tally below is a true and accurate record of all votes cast in the 200\_\_ regular city election held in the City of \_\_\_\_\_ on \_\_\_\_\_, 200\_\_.
